

L'enseignement /apprentissage du FOU pour les étudiants de la première année Licence en Langue, Littérature et Civilisation françaises en Tunisie, et le nouveau module optionnel d'Autoformation

Fatma FAKHFAKH

Abstract: This article focuses on the situation of FOU (Français sur Objectifs Universitaires – academic French) in Tunisia, in case of first-years students in French Language, Literature and Civilization. Special attention is paid to the education reforms and to the Self-training module. We formulate several teaching techniques that may be applied by the personnel teaching French as a Foreign Language in Tunisia.

Keywords: Tunisia, French, French as a Foreign Language, French Language, Literature and Civilization, Self-training, Academic French.
